RESIDENT REFERRAL BONUS

Its great having people you know in your building, especially when you're responsible for them being there. When you refer your friends or associates to any of our Reside Living Properties, who meet our residency requirements and moves in we will give you a referral fee. Please visit our website at www.resideliving.com to check out our other properties.

Simply complete the form below and give it to your friends.

Tell them to bring the form to the rental office when they come to see for themselves how great your building is. Your credit will be available after your referral has signed a lease for one year or more and has moved in.

Reducing your rent has never been so easy – or so much fun. Your friends will thank you for it.

This agreement entitles _____, Lessee, a referral fee of \$250.00 that will credited to their rental account for referring _____ as a new resident. The payment of this fee is subject to the following terms and conditions;
